## Pre-Semester Student Academic Assessment

Everyone learns differently. There is no one better way to learn. As an organization, we want to be able to best accommodate for our students and their learning needs. To help us in this, we ask that students respond to the questions below (feel free to attach separate paper if necessary) and return to Kroka via mail or to [taylor.huntley@kroka.org](mailto:taylor.huntley@kroka.org). In addition, please attach or send the following:

- Academic transcript and/or most recent school report. If homeschooled, attach equivalent available alternative assessment.
- Most recent essay or paper written for school
- If applicable, a copy of an Individualized Education Program (IEP) with contact information of your guidance counselor

1. Student name:
2. Grade currently enrolled:
3. Describe your learning style (ex. visual, auditory, kinesthetic). In what way do you best take instructions? How do you best remember information?
  
4. What are your learning challenges?
  
  
  
  
  
  
  
  
  
  
5. Have you ever been identified with a learning disability?
  
  
  
  
  
  
  
  
  
  
6. Do you require one-on-one assistance in any aspect of your academic work?
